Newsletter No: 36 10<sup>th</sup> November 2016

Dear Parents,

As we move towards reducing paper and printing costs this will be the last edition of the school newsletter in hard copy form. Future copies of the newsletter will be available online from three sources; email, Tiqbiz or through our school website. If you are not yet receiving a copy via email we would request that you contact the office to check that we have your email address recorded correctly. It's our small contribution towards a happier planet!

**Leadership Program**

On Monday afternoon the Year 5 students gathered together to commence a 4-week Leadership Program in preparation for their important year in Year 6. Discussion was held around their understanding of leadership, it's definition and qualities of a good leader. Next week the students will look at the formal leadership roles offered to students in Year 6 in 2017.

**Year 4 Camp**

This morning the Year 4 students headed off to Marysville for an overnight camp. The students stopped off at Healesville for morning tea before heading onto the campgrounds where they settled in and participated in an afternoon of outdoor activities. The children return home tomorrow afternoon around 3.20pm.

**School Fete**

Well the COHR Fete is only a week away! The final fete meeting was held last night and there is certainly an enthusiastic team of parents ready to get this show on the road. An enormous amount of work has gone into ensuring a successful family-orientated fete. I encourage all families to promote our fete to their family, friends and neighbours, ensuring this year's fete is another great community fundraising event.

**EARLY FINISH – FETE DAY**  
 School will finish at 2.30pm on Friday 18<sup>th</sup> Nov  
 To allow us to prepare for the fete

**Remembrance Day**

A Remembrance Day service will be held in the courtyard on Friday at 11.00am. Parents are most welcome to join us. Our Year 4 students, on camp in Marysville, will also hold a small remembrance ceremony to honour this significant day.

**Remembrance Day**  
 On Friday we remember with thanksgiving those who made the supreme sacrifice in time of war. We pray that the offering of their lives may not have been in vain. We continue to dedicate ourselves to the cause of justice, freedom and peace; and for the wisdom and strength to build a better world.  
 They shall grow not old, as we that are left grow old. Age shall not weary them nor the years condemn. With the setting of the sun, and in the morning we will remember them.

Take care and enjoy the rest of the week.

Brendan Welsford  
 Principal

#### NUDE FOOD DAY TUESDAYS (WEEK 8 – WEEK10)

On Tuesday the 15<sup>th</sup>, 22<sup>nd</sup> and 29<sup>th</sup> November and also Tuesday 6<sup>th</sup> December, COHR is holding nude food days! NUDE FOOD day is when children bring a lunch that has no disposable wrappers or packets. Instead they can bring their lunch in containers and bring fresh fruit so that we can put any waste straight into the compost bin. The class teacher will count the number of students with a nude food lunch each Tuesday and we will tally all the results.

The class with the most Nude Food lunches over the 4 Tuesdays will receive a free icy pole on Friday 9<sup>th</sup> December. We will announce the winning class at Friday's assembly.

Let's keep our world clean and have NUDE FOOD lunches!

Thank you! From the environment captians.

## ASSESSMENT AND REPORTING

In line with the new Reporting System at COHR, another example is provided below to familiarise parents and students about how the Target Skill will be assessed against the Levels of Achievement scale below.

Not Yet Evident	Beginning	Developing	Achieved	Embedded in Learning
No evidence of the skill	beginning to show the skill with/without support	displays elements of the skill independently	displays the skill consistently and independently	applies the skill to other areas of learning

Below is an example of a **Year 1 Target Skill** and what it looks like at each level of achievement:

### TARGET SKILL

**Year 1 - Add detail to writing by using a wider range of vocabulary**

<b>NOT YET</b> No evidence of the skill	<i>"The dog ran."</i>	<b>Students record incomplete thoughts as sentences.</b>
<b>BEGINNING</b> beginning to show the skill with/without support	<i>"The dog ran down the street."</i>	<b>Students can use nouns and verbs (simple vocabulary) to create a sequenced and cohesive sentence.</b>
<b>DEVELOPING</b> displays elements of the skill independently	<i>"The big dog ran down the street fast."</i>	<b>Students can use descriptive words to describe nouns and/or verbs within a simple sentence.</b>
<b>ACHIEVED</b> displays the skill consistently and independently	<i>"The big scary dog ran down the long street as fast as he could go."</i>	<b>Students have been able to use vocabulary to describe nouns and verbs within a sentence.</b>
<b>EMBEDDED IN LEARNING</b> applies the skill to other areas of learning	<i>"The big scary (fierce) dog (sped) down the long street as fast as he could go."</i>	<b>Students have a wide range of vocabulary and can access a thesaurus or other known words to create a more descriptive sentence.</b>  <b>They can show evidence of word usage beyond adjectives.</b>
